An Ambitious, Caring Community

Netherhall School Sixth Form Taster Week – Monday 2nd to Friday 6th July

I am writing to remind all prospective Sixth Form students that the Sixth Form taster week at Netherhall School will be held between Monday 2nd July and Friday 6th July 2018. Normal school hours will apply, with students to arrive for registration at 8.35am and depart at 3pm. Students will be allowed to wear their own clothing during the taster week and will not be expected to wear school uniform.

During the week six lessons will be provided by each subject so that students gain a realistic experience of life in the Sixth Form. It is an expectation that all students who intend to study in our Sixth Form from September will attend the full week.

The taster week is open to all students including those who are currently considering an apprenticeship or college course. It will be a great opportunity to gain a true experience of life in our Sixth Form and should do much to help students make their minds up on the path that best suits them in their post-16 education.

Netherhall School operates an open and inclusive Sixth Form. It is our intention that all students will be enabled to realise their full potential and therefore all students will be offered a place in the Sixth Form this September. The only proviso being that they will need to meet the entry requirements for each subject that they wish to study (Grade 7 for Maths, Grade 6 for Sciences and Business Studies, Grade B for ICT, Grade 5 for English and Grade 4 for all other subjects).

I look forward to meeting with you in the McCarron Hall for registration at 8.35am on Monday 2nd July and to a highly productive week which should provide you all with the guidance you require to set yourself up for a great future.

Mr M D Bailey
Deputy Headteacher / Head of Sixth Form

Netherhall Road, Maryport, Cumbria, CA15 6NT
