

Year 9 Homework Timetable 2021-22

N/B The following guidelines apply to the majority of students.

- Subjects which have **the most lessons per week (English, Maths & Science)** will set homework on a **weekly basis**.
- Subjects which have **2 or 3 lessons per week (French*, Geography & History)** will set homework on a **two-weekly basis**.
- Subjects which have **1 lesson (or 1 practical double-lesson) per week** will set homework on a **three-weekly basis**. These subjects are **biology, chemistry, physics, art, guidance, ICT, music, PE, RE & technology**.
 - PE homework will be set at the end of each activity unit (approximately every 4-5 weeks)
- Teachers will try to stick to this timetable whenever possible but there may be occasions when it would be better for your learning to set the work on a different night.
- Students should be given a reasonable amount of time to complete their homework with at least one school day between the setting and handing in of homework, so they can seek help if needed.
- ***French** vocabulary lists will be issued on the weeks when there is no written or on-line homework set. These lists of key words are to be learned in time for a mini-test at the start of the next lesson.
