

# Year 10 Homework Timetable 2021-22

N/B The following guidelines apply to the majority of students.

- Subjects which have **3 or 4 or more lessons per week (English, maths & science plus all option choices subjects)** will set homework on a **weekly or two- weekly basis**.
- Coursework subjects (**Childcare, H&SC, construction, PE, art, photography & graphics**) will set homework on a weekly basis and this will usually be a continuation of work which is being completed in class.
- Teachers will try to stick to this timetable whenever possible but there may be occasions when it would be better for your learning to set the work on a different night.
- Also, some work may be expected in the next day but generally this will be the exception to the rule.
- **\*French** vocabulary lists will be issued on the weeks when there is no written or on-line homework set. These lists of key words are to be learned in time for a mini-test at the start of the next lesson.
- **Vocational subjects** – Health & Social Care, Child Development, Digital Information & Technology, Sport, Hospitality & Catering and Construction. These subjects will set homework in accordance with the issuing of assignment tasks. Students will be given a set amount of time in which to complete these assignments and therefore may be issued on different days as it is dependent upon the current teaching topic.
