To install Microsoft Office – you will require;

An active Netherhall Office 365 account – Note: for New Year 7's an Account will not usually be available until the End of September.

A PC with:

1 GHz processor

2 GB RAM

3 GB of available disk space; better to have some extra space for temp files

Screen resolution of a minimum 1280 x 800

Windows 7 Service Pack 1 or above operating system; Works best on latest operating system according to Microsoft. The browsers used should be the latest versions or the versions immediately preceding the latest versions

At least .Net 3.5; preferred 4.5 LCR

Installation Office

Go to the Office 365 logon page – (link on website)

Enter your Username and Password at the prompt

Work or school account

Once logged on, click the Install Office 2016 button

Run the file as per onscreen instructions

Follow the on screen prompts

Note: The download can be quite large and may incur charges on limited Internet connections

It may also take some time to install depending on computer specification and internet connection speed.
