# Netherhall School

*An Ambitious, Caring Community*

## Values and Ethos

This is a welcoming, friendly and vibrant school, where staff and students are treated with care and respect. I believe the school's values and ethos are indicative of the Cumbrian spirit and represent the best of Maryport and West Cumbria.

Achievement and success are built on positive relationships. The result is happy, confident learners who are inspired and surpassing their expectations.

I am certain your son / daughter will do well throughout their next five or seven years at Netherhall School. My aim is to make school an enjoyable and productive experience for every student, for school to be a place where each young person looks forward to the possibilities of each day with energy and enthusiasm.

### Aims

The school's aims are to support the development of healthy, confident, capable and happy young people, who are supportive and tolerant of each other. We are a school that builds understanding, recognises individuality and embraces its collective responsibility. To provide relevant and meaningful experiences, which nurture individual aspirations, whether it is an Oxbridge education, public service, artistic endeavour, industrial, cultural or sporting excellence. We are a school that actively encourages involvement and participation, with the intention of preparing our young people for the challenges of the 21st Century.

### Principles:

The five principles that guide Netherhall School are:

- 1. Students first: every decision is founded on the best interests of the students.**

# Attendance at Netherhall

Parents and carers are legally responsible for ensuring that their children receive a full time education.

**Mrs Telford the School Attendance Officer can be contacted on 01900 813434 ext.200.**

Good, regular attendance and punctuality is expected of every student. Students should be in school by 8.45am each morning and be lined up quietly outside their registration room or assembly by 8.50am. Punctuality is an important part of self-discipline and is essential to good time management. All lateness is recorded and appropriate sanctions given. If a student arrives after 8.50am he/she will need to sign in with Mrs Telford. Afternoon registration is taken during period 6.

Netherhall School operates a **colour band system** to encourage and reward good attendance and to closely monitor and address poor attendance.

## STATISTICS TO THINK ABOUT:

- **95% attendance is the equivalent of 1 day off per month.**
- **90% attendance is the equivalent of 1 day off per fortnight.**
- **80% attendance is the equivalent of 1 day off per week.**

**Students falling to 90% and below will fall into the 'persistent absence' category.**

## We ask that parents:

- Do not make dental/medical appointments during school time where possible or ensure their child attends part of the day where they can.
- Do not take holidays during term time.
- Contact school promptly each morning if your child is feeling unwell and will be absent.

**It is at the school's discretion whether any absence is authorised.**

Parents, students and governors will be regularly informed throughout the year of how well students are doing in relation to their attendance.

<b>100%</b>	<b>95 - 99.99%</b>	<b>92.60 - 94.99%</b>	<b>90 - 92.59%</b>	<b>Less than 90%</b>

# Homework at Netherhall

Homework will be set by all subjects, some subjects set weekly homework and some subjects set fortnightly homework.

Your child will receive a homework timetable in September. This should help you in checking when your child has homework and in supporting them to work to deadlines.

If your child is unsure of a task, they should organise a suitable time with their teacher to clarify the task.

It is important that you check your child's homework which will be set via Edulink One regularly. Teachers may use the communicator tool to write to you and you may also use this tool to write to them.

Edulink One is an efficient and useful way for parents and teachers to communicate and provide relevant information for students.

# Being Ready to Learn at Netherhall

We encourage pupils at Netherhall School to be organised and prepared to learn. One way of ensuring this is by bringing the correct equipment each day. This includes:

- A suitable sized bag to carry books, equipment etc.
- Exercise books needed for the day.
- Homework due that day.
- A fully equipped pencil case (pen, pencil, ruler, rubber).
- Calculator (The Maths Department recommend a Casio FX83GT which is available from the Maths department for £6.50).
- PE kit/ food tech ingredients, if required that day.
- Departments will generally provide any other materials required for specific lessons.

## **What not to bring:**

- Jewellery of any kind, except a watch or medical disc.
- Chewing gum and energy drinks.
- Hats, caps and hooded tops are not to be worn on school premises.

Phones are permitted in school, but should be switched off and out of sight at all times, other than lunchtime.

# Settling in at Netherhall

## How you can help your child settle in at Netherhall School

The transition from primary to secondary school is a daunting and exciting time. It is an important milestone for both children and parents as it marks a change in expectations, such as independent working and self-organisation.

Pupils are expected to cope with a variety of new experiences and challenges which demand new skills. It is important to Netherhall School that we work with you to achieve an effective transition.

### As a parent you can support us by:

- Regularly checking your child's Edulink One and discussing their homework with them.
- Encouraging your child to begin organising their own uniform and bags ready for the next day of school.
- Discussing the importance of showing a good level of effort and motivation in all lessons.
- Helping them to establish a routine and providing a suitable space at home to complete their homework to the highest possible standard.
- Explaining the importance of good attendance and ensuring your child achieves 100% attendance.
- Reminding them to discuss any worries or concerns with their tutor or pastoral staff. If there is a problem, please contact us to discuss the issue, so that it can be dealt with swiftly.
- Supporting school in the delivery of any necessary sanctions for poor behaviour and encouraging your child to take responsibility for their actions.
- Working together will help to ensure your child's time with us is both happy and rewarding.

Notes:

## Reading and Spelling Interventions

At Netherhall School, we understand the value of good literacy skills and their fundamental role in underpinning learning across the curriculum. Here at Netherhall School, we regularly carry out standardised reading and spelling tests and from these results we tailor intervention sessions during registration time and lesson time. These include:

- Corrective reading.
- Paired reading.
- Spelling intervention.

### **Accelerated Reader:**

There is a weekly library lesson for years 7 and 8 to promote the value of reading for learning and pleasure.

### **Reading Challenge:**

The reading challenge encourages young people to read seminal works of literature that should be part of all children's rites of passage.

### **Reading Log**

In years 7 and 8, pupils are given a log to record their reading. It is an expectation that this is signed every week by parents and form tutors.

### **Literacy Rewards**

These are given to those students who demonstrate the highest levels of commitment to improving their reading and literacy skills.

Notes:

## Extracurricular and Enrichment Opportunities

Netherhall School strives to provide a full range of opportunities for all of its students to be a fully active member of the school community. We offer, in addition to the curriculum, a range of extracurricular clubs and activities to all students.

To encourage students to take an active part in their school life, we have developed 'The Netherhall School Ten Pledges'. These are ten challenges intended to encourage students to take on and make the most of every opportunity that they will have during their time at Netherhall School and in the process, take an active role in the school and wider community.

In addition to being an active member of a thriving school community, it provides at the end of their school career a catalogue of their endeavour and willingness to participate outside of the classroom, illustrating those personal skills and qualities that employers look for in a young person.

# Leadership Opportunities

These include opportunities in year and school councils and by acting as prefects, library assistants and sports captains. We believe that this is key for the personal development of our students and it encourages them to make a positive contribution to the school community.

Leadership students are role models to their peers, they sign a student leadership contract which clearly sets the expectations of personal conduct for all responsibilities, as per the school prefect example below.

## Student Leadership Contract

You have been selected to hold a position of responsibility and as such you will play a key role in the wider-life of the school. The relationship between staff and student leaders should be a close and professional one.
